1906-1907

PLEASE READ CAREFULLY BEFORE ORDERING.

The publication of this list cancels all previous quotations.

TERMS—Cash with order or usual trade references from unknown correspondents. All accounts become due and subject to draft, unless otherwise arranged, 60 days from date of invoice. Two per cent discount for remittance within 30 days from date of invoice.

DOMESTIC REMITTANCES requested by Postal or Express Money Order, Registered Letter or draft on a New York or Atlanta Bank. Our banks charge for collection of local checks.

FOREIGN REMITTANCES are payable in United States currency through Money Order on Atlanta Postoffice or Draft on a New York or Atlanta Bank. We ask that remittances not be made in foreign postage stamps or foreign individual checks.

POSTAGE—The rate is 8c per pound, which ought to be added to remittance. Limit to weight in domestic mail is four pounds and in foreign mail twelve ounces. Registration fee in all instances 8c per package.

PARCELSPOST packages are admitted to a number of foreign countries now. Limit of weight per parcel is four pounds six ounces, and the rate is twelve cents per pound or fraction thereof.

FREIGHT AND EXPRESS—Unless instructed we shall use our own discretion as to kind of conveyance or route. Nearly all express companies allow now a deduction of twenty per cent. from regular merchandise rates for shipment of seeds and roots. All goods sent at risk of consignee.

FOREIGN SHIPMENTS will be consigned to Downing's Foreign Express, 32 Broadway, New York, or their correspondents at other ports, unless we receive other instructions.

MARINE INSURANCE will be effected only at request and expense of consignee.

REQUEST FOR EARLY ORDERS—We do not sell any old seeds and do not take in stock, therefore, much larger quantities than we can be reasonably sure of selling during the ensuing season. It is very important on this account, especially, that orders for large quantities of early maturing kinds, should reach us as early as possible in the season to assure complete execution. While we anticipate at this writing a supply of all kinds offered, our acceptance of orders is not a warranty for delivery, but it is subject to crop accidents and limits of crops. All quotations are subject to change without notice.

WARRANTY—While we exercise greatest care to have all our seeds, bulbs, plants, etc., pure and reliable, they are sold without warranty and without any responsibility, expressed or implied, in respect to the crop. If our goods are not accepted on these terms we must be informed at once after their inspection upon arrival at destination to arrange for their return. We can not consider deferred claims or claims after the seeds have been planted.

An exchange of catalogs, seed lists, etc., is desired

ZAHLUNGEN sind in U. S. Waehrung durch Postanweisung auf Atlanta, Ga., oder durch Tratte auf eine New Yorker oder Atlanta Bank zu machen. Wir ersuchen keine auslaendischen Briefmarken oder Privatchques zu senden.

POSTPAKETE nach Deutschland sind bis zu 2 kg Maximumgewicht zulaessig und das Porto betraegt Mark 1.25 per kg.

FRACHT—Wir consignieren alle Frachtsendungen zu unsern Speditoren Downing's Foreign Express, 32 Broadway, New York, oder deren Correspondenten in andern Haefen, falls wir nicht andere Direktionen erhalten. Frachtsendungen laufen auf Rechnung und Gefahr des Emplaengers und wir besorgen Seesekuranz auf speziellen Wunsch.

FRUEHZEITIGE AUFTRAEGE sind ganz besonders erwuenscht weil wir nur frische Samen auf Lager halten und nur in solchen Quantitaeten als wir im Laufe der Saison zu verkaufen hoffen. Es ist deshalb sehr wichtig, dass uns Auftraege, namentlich fuer grossere Quantitaeten fruehreifender Samen so fruehe als moeglich erreichen. Wir erwarten Samen aller offerierten Arten aber Accept von Auftraegen ist keine Garantie fuer Lieferung, weil dieselbe stets vom Ernteausfall abhaengig ist. Wir reservieren das Recht, unsere Preise ohne weitere Mitteilung zu aendern.

Es ist jederzeit unser eifrigstes Bestreben, unsern Kunden nur zuverlaessige Waare in bester Qualitaet zu liefern. Das Ergebnis der Aussaat haengt aber ausser von der Beschaffenheit der Samen von vielen andern Zusaelligkeiten ausser unserer Kontrolle ab, dass wir jede Verantwortung oder Garantie fuer den Ausfall der Ernte aus den von uns gelieferten Samen, etc., ausdruerklich ablehnen muessen. Wir sind jedoch willig, Sendungen, die unsern Angeboten nicht entsprechen, zurueckzunehmen ebenso wie wir zur Rueckzahlung bis zur Hoehe des uns fuer die Waaren gezahlten Betrages bereit sind. Reklamationen muessen sofort nach Eingang der Waare gemacht werden, um Beruecksichtigung zu finden. Wir sind stets willig, alle Unregelmassigkeiten auf das entgegenkommendste zu regulieren und ersuchen um Mitteilung in allen solchen Faellen.

Wir waeren fuer Zusendung von Baumschule—oder Samenkatalogen sehr verbunden.

This list is intended only for the Trade and others entitled to wholesale prices. Our beautifully illustrated descriptive Catalog contains a wealth of valuable information. Please ask for it.

Dies Engrosverzeichnis ist nur fuer den Handel bestimmt. Unser prachtvoll illustrierter, Beschreibender Katalog (in Englisch) enthaelt eine Fuelle wertvoller Information und steht Allen auf Nachfrage frei zur Verfuegung.

Upon issuing our third Annual Trade Price List we wish to give again expression to our thanks for the large and steadily increasing patronage bestowed upon us. We shall continue to give our best efforts to please our customers through prompt, conscientious and thorough execution of all orders—large and small.

We trust to hear from all our old friends again, and request those whom our list reaches for the first time to test our capacity by favoring us with at least a trial order.

Dies ist unser drittes jaehrliches Engrosverzeichnis und wir nehmen gern diese Gelegenheit unsern Kunden fuer das uns in so reichem Maasse geschenkte und stetig zunehmende Vertrauen zu danken. Wir werden uns auch in der kommenden Saison bemuehen, uns dies Wohlwollen durch gewissenhafteste und beste Ausfuehrung aller uns anvertrauten grossen und kleinsten Bestellungen zu rechtfertigen. Wir hoffen auch in diesem Jahre mit Auftraegen von allen unsern alten Freunden beehrt zu werden und wuerden Allen, denen dies Verzeichnis zum ersten Male zugeht, danken, wenn sie uns mit einem Probeauftrag versuchen wuerden.

Many crops will prove exceedingly short this season and early orders are advisable.

Viele Ernten werden in diesem Jahre sehr knapp ausfallen und wir raten an, Auftraege moeglichst frueh einzusenden.

For Private Code we refer to List of 1905-1906,
